The Principal's Message

Dear Parents,

Happy New Month.

I trust this meets you well as the holiday is over. I hope you enjoyed the holiday and had a wonderful bonding time with our children.

I trust that our children are relaxed, recharged and ready to start the new term.

Thank you for your unflinching support and being part of this amazing learning community.

As we look forward to another interesting and productive term. Our skilled and devoted staff are ready to give their best in impacting our children.

Admission is still ongoing for 2023/ 2024 academic year. We encourage you our dear parents to recommend BNA to your friends and family. A recommendation gives you the opportunity to have a discount on fees.

Thank you for your commitment in ensuring that BNA is second to none.

We look forward to a term of growth and achievement for all our children.

Thank you.

ACADEMIC CORNER

We wish to appreciate all our dear parents for your support and the confidence reposed in us. We request that as you go through the report sheet of our children, please discuss their progress and encourage them. Our support classes resumed fully on resumption for students having challenges. The extension period is over, however, intensive coaching will continue (inform of early morning drill and extra lesson) to effectively prepare them for the remaining forthcoming external examinations. Special event is in place to advise the entire students in the examination classes on how to choose a career, ways and means of increasing one's eligibility for selection into top colleges, what admission officers look for in suitable candidates and most importantly how to write winning personal statements.

Thank you
Stephen Ezekiel
Vice Principal Academic

FROM THE EXAMS DESK

It is another season for examinations. British Nigerian Academy students will be writing different external examinations this season. The school recorded excellent results in the 2021/2022 academic session. We pray to have a better performance in 2022/2023 session. Some of the SS3 students have written some of the international exams like SAT, TOEFL and IELTS and the JS3 students have written Checkpoint examination.

The SS3 and JS3 students have been receiving coaching since resumption for the extension classes in preparation for the remaining external examinations.

The SS 3 student will be starting their IGCSE and WAEC examinations in the month of May while NECO comes up in July, 2023. The JS3 students will be starting their NECO BECE in May and ERC BECE elsewhere in June.

We all pray for the success of our students in all the examinations.

Wishing you all a Happy return from the Easter break and a successful third term.

Thank you.
LUCAS G. ZATIYOK
Examinations Officer
